MEASUREMENT CABLE ASSEMBLIES

fig. 1

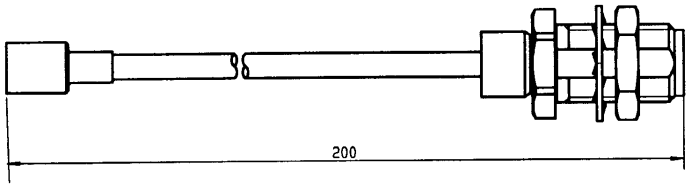

fig. 2

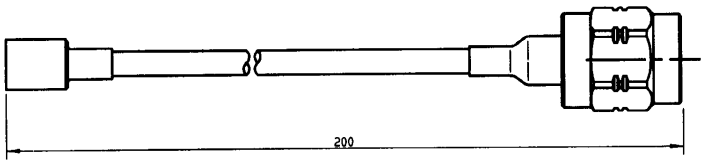
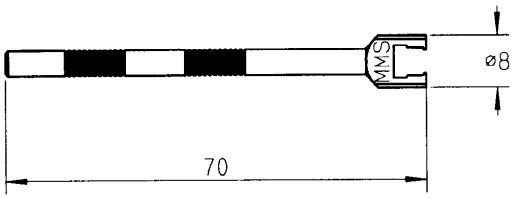
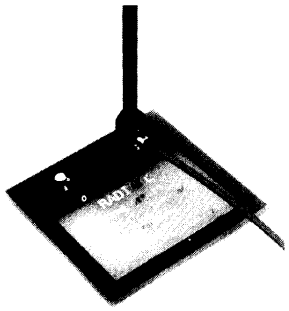


cable group	part number	fig.	composition
2 /50/ S	**R285 023 021**	1	R209 080 500 + C291 145 007 + R124 310 020
2 /50/ S	**R284 007 013**	2	R209 080 500 + C291 145 007 + R124 069 120

Both cable assemblies are equiped with a straight MMS plug with a sliding interface to allow 500 matings and a SMA connector.

EXTRACTION TOOL





part number
R282 868 100

Materials and finish : black anodized aluminium
The anodization allows the electric insulation and protects from the oxidization.
